By  
Lynn S. Fischer

A change in the November business meeting will be at MCL Cafateria – Castleton in the back room Tuesday and begins at noon. We encourage all members to come to this meeting since we only have one speaker meeting in November because of Thanksgiving.

Keep your eyes open for an article out our very special club in "*The Current*" Hamilton County. Plus everyone we also made the national newsletter.

<http://sertoma.org/members-in-action/fishers>

Thank you Kelly Martin for submitting this to National.

This newsletter is a call to action for the club. Mary Pat and I would like to find out what you would like to see additionally on our Fishers Sertoma Website!

Also, I need all members to please join the new Facebook page to reach more members.

We need to reset that up as well as the new Website is [Fishers Sertoma.com](http://FishersSertoma.com).

Everyone please join and follow us on Facebook and Fishers Sertoma.com website.
